Client Challenges:

The district was years away from receiving any new State appropriated funds; Began realizing rising operational costs as buildings aged; Failing HVAC Equipment; Limited Financial Resources

Activity Center SWLSD

Strategic Plan:

Implement a HB264 program that would be spread over all district buildings and would allow self-funded initiatives to be completed in the most economical way utilizing the Zero Percent Interest Rate Fund via the ARRA program. The project began in March 2011 and has yielded savings greater than expected.
